International Camp

Language Exchange of Northern Colorado, LLC brings your child an amazingly unique experience this summer! We turn our imaginations to the far corners of the earth and learn about real places full of awe and wonder when we "take off" each day.

We begin, of course, with airport security where they check their luggage and passports. During our trip we have in-flight entertainment of folks stories and songs and some phrase review for getting around in our country of interest. A "local, native-speaking tour guide" will lead your little ambassador around the country through hands-on and imagination-on experiences of the local dance, food, music, art, customs and language. All of these *very real* experiences are the most authentic thing they can do without buying a plane ticket.

This year we travel to Spanish-speaking countries in Latin America and Spain as well as exclusive week-long tours of France and Germany. I personally recommend the Triple Trekker Package to get the full international experience!

Upon arrival each morning your child will receive all the necessary items for recording their adventure including a "suitcase, passport, camera and travel journal". You need only send your child with a small snack and a sense of adventure, we'll ensure the fun!

Here's how to enroll:

- Email or phone to receive enrollment forms: www.LEXNC.com 970-493-9495
- Choose your dates by time frame, location or language.
- You will receive an invoice on-line which can be paid on-line or over the phone.
- See you soon Li'l Trekker!
