

# **Scholarship Availability**

*One boy and One girl*

Half of the tuition will be provided for two children (one boy, one girl) for the months of March, April and half of May.

We would like to provide this opportunity for children whose families are currently experiencing hardship and would not otherwise be able to participate in the classes we offer.

Our program explores countries and culture through the subjects of art, literature, social studies and science for six weeks at a time. Our classes are taught in 90-95 % Spanish and meet twice a week on Mondays and Wednesday from 1:30-4:30.

Currently we are studying the Galapagos Islands in Ecuador and next month we will study Peru.

If you are interested or know someone who is, please direct them to our school. A formal, written request must be submitted to our director (Dannielle) or by [email](#). Please describe why your child would like to take the class and why you are unable to pay our full tuition.

The student would need to be able to attend both days and for the remainder of the school year.

This would also be a great opportunity for a student from a bilingual home or an ESL home.

Please be aware that there is a fee associated with this. Tuition each month is \$125 per month.

Requests can be submitted immediately and the scholarship will be awarded no later than next Tuesday, March 9th.
